DECLARATION OF RICHARD R. MICHAUD IN SUPPORT OF  
PETITION TO WITHDRAW HOLDING OF ABANDONMENT

S I R:

This is a Declaration in support of the Petition to Withdraw Holding of Abandonment in connection with the above-identified patent application based on the non-receipt of a Notification of Missing Requirements by Applicant's representative. The sequence of events is as follows:

1. My name is Richard R. Michaud. I am the attorney of record in the above-identified matter.

2. The above-identified application was filed in the U.S. Patent and Trademark Office (hereinafter referred to as "PTO") on November 8, 2001.
3. On September 19, 2003, and in view of establishing that the technology center should have been reviewing the above-identified application, we filed a Status Inquiry requesting the status of the present application. A copy of the return postcard stamped as being received by the PTO on September 22, 2003 is attached as Appendix A.
4. On December 10, 2003, we received a Notice of Abandonment dated December 3, 2003 stating that the above-identified patent application was abandoned in view of Applicant's failure to timely file a response to the Missing Requirements mailed on February 8, 2002. A copy of the Notice of Abandonment is attached as Appendix B.
5. On February 24, 2004, we filed a Petition to Withdraw Holding of Abandonment. A copy of the Petition is attached as Appendix C.
6. On August 12, 2004, we received a Decision, dated August 10, 2004, dismissing the Petition to Withdraw Holding of Abandonment filed on February 24, 2004. A copy of the Decision is attached as Appendix D. The Decision indicated that a copy of the Notification of Missing Requirements was attached thereto, however, only two pages (pages 1 and 2 of the Decision) were received. We then proceeded to call the PTO and request a copy of the Notification of Missing Requirements be faxed to our office. On August 12, 2004 we received a copy of the Notification of Missing Requirements. A copy of the faxed Notification is attached as Appendix E.
7. After carefully searching the file jacket and docket records, I attest to the non-receipt of said Notification of Missing Requirements and respectfully state that a Notice of Missing Requirements was not received in Application Serial No. 10/009,148. A copy of the April 2002 docket records showing wherein the entry for responding to the Notification of Missing Requirements would have been entered had it been received is attached as Appendix F.

8. In view of the aforementioned remarks and attachments, Applicant respectfully requests that the Holding of Abandonment of the above-identified patent application be withdrawn pursuant to MPEP § 711.03(c).

Respectfully submitted,

By

PETITION TO WITHDRAW HOLDING OF ABANDONMENT

SIR:

Applicant respectfully petitions to withdraw holding of abandonment  
 based on the non-receipt of the Notice of Missing Requirements.

A Notification of Abandonment dated December 3, 2003 was received  
 in the above-identified application for failure to respond to the Notification of  
 Missing Requirements dated February 8, 2002.

Attached hereto is a copy of Applicant's docket slip (Appendix A) showing the application and IDS being filed on November 8, 2001 followed by the filing of formal drawings on June 25, 2002. A second docket slip (Appendix B) shows entries for Applicant to check file for filing receipt and to check for first office action. In absence of a filing receipt and/or first office action, Applicant filed a Status Inquiry (Appendix C) on September 19, 2003 requesting further information in the present application. Enclosed are copies of the unstamped return postcard receipt for the Status Inquiry prior to its mailing to the PTO (Appendix D), the stamped return postcard receipt for the Status Inquiry after being mailed back from the PTO (Appendix E), and a Notice of Abandonment (Appendix F) dated December 3, 2003.

Applicants respectfully requests that the Holding of Abandonment of the above-identified application be withdrawn in view of the non-receipt of the Notification of Missing Requirements in this case and an early action to that effect is earnestly solicited.

No fee is believed to be due for filing this Petition. However, if it is determined that a fee is required, please charge Deposit Account No. 13-0235.

DECISION

This is in response to applicant's "Petition to Withdraw Holding of Abandonment" filed 24 February 2004, which is being treated under 37 CFR 1.181.

### BACKGROUND

On 12 May 2000, applicant filed international application PCT/CH00/00265, which claimed priority of an earlier Switzerland application filed 15 May 1999. A copy of the international application was communicated to the USPTO from the International Bureau on 23 November 2000. A Demand for international preliminary examination, in which the United States was elected, was filed on 20 November 2000, prior to the expiration of nineteen months from the priority date. Accordingly, the thirty-month period for paying the basic national fee in the United States expired on 15 November 2001.

On 08 November 2001, applicant filed national stage papers in the United States Designated/Elected Office (DO/EO/US). The submission was accompanied by, *inter alia*, the basic national fee required by 35 U.S.C. 371(c)(1).

On 08 February 2002, the DO/EO/US mailed a Notification of Missing Requirements Under 35 U.S.C. 371 (Form PCT/DO/EO/905), which indicated that an oath or declaration in compliance with 37 CFR 1.497 must be filed. A copy of this notification is attached to this decision.

On 03 December 2003, the DO/EO/US mailed a Notification of Abandonment (Form PCT/DO/EO/909), which indicated that the application is abandoned for failure to timely file a response to the Notification of Missing Requirements.

On 24 February 2004, applicant filed the present petition under 37 CFR 1.181.

### DISCUSSION

According to the Official Gazette at 1156 OG 53 and MPEP 711.03(c), a petition to withdraw a holding of abandonment based on failure to receive an Office communication must include: (1) a statement by the practitioner that the Office communication was not received by the practitioner, (2) a statement by the practitioner that he searched the application file jacket and docket records and that the search indicates that the Office communication was not received, and (3) a copy of the docket record where the non-received Office communication would have been entered had it been received and docketed.

With regard to item (1) above, applicant's representative has not provided the required statement.

With regard to item (2) above, applicant's representative has not provided the required statement.

With regard to item (3) above, applicant's representative has supplied a docket record related to the present application. This docket record is insufficient. Applicant's representative should supply a docket record which lists responses due to the USPTO on 08 April 2002 for all cases handled by the representative's firm, or if such a docket record is unavailable, for all cases handled by applicant's representative. This docket record must illustrate the absence of any listing of a response due to a Notification of Missing Requirements.

### CONCLUSION

For the reasons above, the petition under 37 CFR 1.181 is DISMISSED without prejudice.

If reconsideration on the merits of the petition is desired, a proper response must be filed within TWO (2) MONTHS from the mail date of this decision. Extensions of time are available under 37 CFR 1.136(a). Any reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.181".

Please direct further correspondence with respect to this matter to Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.
